Walton Manor Residents Association

Chairman: Simon Mollison ● WaltonManorRA@gmail.com

Welcome to Walton Manor!

By virtue of where you now live, you automatically become a member of the Walton Manor Residents' Association (WMRA).

The WMRA exists to promote the general amenities of the locality and the well-being of residents. It's run by a committee which meets four times a year and convenes an AGM in late November. The current committee members are: Simon Mollison, Mary Pegler, Secretary, Charlotte Beatson, Maggie Black, Hugh Davies, Richard Gilson, Jo Lane. Richard keeps an eye on planning applications and Jo coordinates social events.

Outside speakers on matters of local interest are invited to the AGM. This is also an opportunity for residents to raise matters of concern. We are fortunate to have supportive local councillors, who make it a priority to attend. Leaflets giving the details will be delivered about a fortnight in advance. We very much hope to see you there.

We have links with our neighbouring residents' associations, Norham Manor and the St Margaret's Area Society, and we're usually invited to their events.

The best way to keep in touch is by adding your email address to the resident list kept by Maggie Black at WaltonManorRA@gmail.com.

Information on local affairs, such as updates from City and County Councillors, are sent out to the list from time to time.

We also have a website. <https://oxfordwaltonmanor.com>

Wishing you a happy time in Walton Manor (Warning: it is not easy to move away!)
